

# 2012 Year of the Shrine Taste & See Family Mass in June

## **Family Mass in June**

Our Team for Taste and See Mass invite you to join them for the Family Mass in June. All are welcome. This year we celebrate a Year of the Shrine and we are taking to opportunity to spend time around the Shrine with our families. The challenge and the gift of Pentecost is to go out and share with others the Joy of Christ. We can start with our own families and friends. Taste and See Mass is a great opportunity to invite friends to come and join us. Secondly we can pray for those we want to invite hoping that they receive the graces of the Shrine and find themselves at home, anchored in the heart of God.

***We look forward to seeing you on the day!***
