

A JOURNEY IN DIVINE PROVIDENCE

What is Divine Providence? It is the activity of God when he cares for you and me. He cares by realising his Plan of Love in our lives and he will see this plan through to the end. Believing in Divine Providence is not enough. The practical faith is a daily activity. It means we can trust in God above everything else and it means that God will care for us, he will look after us. Your spiritual journey needs, as a key element, a relationship to God that motivates you to discover his will. The person who can do this takes the presence of God in his life seriously.

GOD OF MY LIFE

**AN INVITATION TO THE NEW SERIES
OF KENTENICH TALKS | JUNE 2012
SPEAKER - FR DUNCAN McVICAR**

THE GOD OF MY LIFE

“Everyone who breathes, high and low, educated and ignorant, young and old, man and woman, has a mission, has a work. We are not sent into this world for nothing; we are not born at random; we are not here, that we may go to bed at night, and get up in the morning, toil for our bread, eat and drink, laugh and joke, sin when we have a mind, and reform when we are tired of sinning, rear a family and die. God sees every one of us; He creates every soul, . . . for a purpose. “

Cardinal John Henry Newman
